SEAOI Committee Work:

SEAOI membership participation in committee work is encouraged. If you are interested in working on any of the SEAOI committees described below, please mark the appropriate box or boxes.

- | | |
|--|--|
| <p><input type="checkbox"/> YEC Young Engineers Committee
To encourage young engineers to join the SEAOI as associate members, and to provide guidance in preparing them for the state license examination.</p> <p><input type="checkbox"/> BCC Building Code Committee
To make recommendations for amendments to the Codes which would incorporate new developments in various aspects of the design of structures and specifications used in the practice of structural engineering.</p> <p><input type="checkbox"/> CEC Continuing Education Committee
To organize and advertise educational seminars.</p> <p><input type="checkbox"/> DRC Disaster Resource Committee
To prepare and train engineers to be of service in a mass public disaster such as an earthquake or hurricane. To make available, to the media and to the public, engineers versed in the analysis and evaluation of structures in response to such events.</p> <p><input type="checkbox"/> GRC Government Relations Committee
To keep abreast of proposed legislation that has an impact on the practice of structural engineering, and to recommend appropriate actions on the part of the profession.</p> | <p><input type="checkbox"/> MC Membership Committee
To encourage those in the practice of structural engineering and allied professions to become members of the association. Maintain membership files and publish membership directory.</p> <p><input type="checkbox"/> PC Program Committee
To plan monthly dinner meetings and breakfast meetings.</p> <p><input type="checkbox"/> PRC Public Relations Committee
To serve as liaison between the profession and the public and the media. To initiate activities that make structural engineering more visible to and more appreciated by the media.</p> <p><input type="checkbox"/> PBC Publications Committee
To collect appropriate news and other material for inclusion in the SEAOI <i>Bulletin</i>. This includes editing, printing and distributing the <i>Bulletin</i>.</p> <p><input type="checkbox"/> TSC Trade Show Committee
To schedule and arrange this annual exposition at which vendors with products or services of benefit to the structural engineering community can present and display their products.</p> |
|--|--|

Affiliated Organizations:

Please consider volunteering for the Structural Engineers Foundation or the Structural Engineers Political Action Committee (SEPAC).

- | | |
|--|--|
| <p><input type="checkbox"/> SEF Structural Engineers Foundation
Plan SEF lectures, assist with scholarship planning and other SEF activities.</p> | <p><input type="checkbox"/> SPC SEPAC
Monitor legislation as it affects the SE profession, plan SEPAC activities like the annual cocktail party, dinner meeting, and Principals luncheon.</p> |
|--|--|

The following information is used to obtain an SEAOI membership profile. All responses are optional.

Primary Responsibility

- PDE Design
- PCO Construction
- PDM Dept. Head/Mgr./Spvr.
- POW Operator/Owner
- POH Other _____

Industry Category:

- IB Bridges/Highways
- IH Highrise
- IP Power
- ID Industrial
- IS Institutional
- IC Commercial
- IO Other _____

Professional Activity:

- SE Structural Engineer
- CE Civil Engineer
- AR Architect
- MK Marketing
- IN Inspector
- ES Estimator
- ED Educator
- RE Retired
- OT Other

Firm Size:

- FS 1-10
- FT 11-30
- FM 31-100
- FN 101-300
- FL Over 300

Education (Highest)

- EB Bachelor's degree
- EM Master's degree
- ED Doctorate
- EO Other _____

Miscellaneous:

- M Male
- F Female
- A Under 30
- B 30-45
- C 46-65
- D Over 65
