

2000 Annual Excellence in Structural Engineering Design Competition

The May dinner meeting of the Structural Engineers Association of Illinois (SEAOI) will feature presentations by the project finalists in the 2000 Excellence in Structural Engineering Awards program. Representatives from the firms named as finalists will present discussions of the merits of their projects before a panel of distinguished leaders in the construction industry. The Structural Engineers Association of Illinois is pleased to announce the winners in the Excellence in Structural Engineering Awards. The awards were presented at the annual banquet on Saturday, June 10, 2000.
