

Workshop – Fiber Reinforced Polymers (FRPs)

This half-day workshop, led by experts from Fyfe Company LLC, is designed to provide information on the application of FRPs for strengthening structures and to discuss the design methodology as contained in the various codes.

Case studies and discussion will focus on the following topics

1. Identifying potential projects for FRP strengthening
2. Durability, bond, creep and fire resistance
3. Design Example
4. Advantages of FRP over traditional repair techniques

The attendees will come away from the seminar with a practical overview of using FRP technology to save a structure. Also, there will be a live demonstration of making witness panels used for Quality Control purposes.

This workshop will provide 4.0 hours of continuing education. Registration and a continental breakfast begin at 7:30 am. The workshop will run from 8:00 am until 12:00 noon, with a brief break at 10:00 am.

Date: Wednesday, June 17, 2009
 Place: UBS Tower, One North Wacker Drive, Superior Room
 Time: 8:00 a.m. to 12:00 noon (continental breakfast available at 7:30)
 Cost: \$75 for SEAIO members, \$175 for non-members (early registration price)

Please plan to attend the entire workshop to receive continuing education credit.
