SEAOI membership participation in Committee work is encouraged. If you are interested in working on any of the SEAOI Committees described below, please mark the appropriate box or boxes. You will also receive a formal Call for Volunteers application once your membership has been processed.

- BSC Bridge Symposium Committee**
Solicit and review abstracts; select presentations that cover a broad range of bridge engineering issues; organize day-long Symposium.
- CCC Central Illinois Chapter Committee**
Organize annual Central Chapter Trade Show & Symposium; organize continuing education events in central Illinois.
- TSC Chicago Trade Show Committee**
Organize annual exposition at which vendors with products/services of benefit to the Structural Engineering community present and display their products.
- CEC Continuing Education Committee**
Organize and advertise educational seminars on various topics of interest to the Structural Engineering community.
- PC Dinner Meetings Committee**
Organize speakers and topics for monthly dinner meetings.
- MC Membership Committee**
Encourage those in the practice of Structural Engineering and allied professions to become members of the association; publish membership directory.
- PRC Public Relations/Outreach Committee**
Serve as liaison between the profession and the public and the media; initiate activities that make Structural Engineering more visible to and more appreciated by the media and the general public.
- PBC Publications Committee**
Collect appropriate news and other material for inclusion in the SEAOI *Bulletin*.
- SSC Structures Symposium Committee**
Solicit and review abstracts; select presentations that cover a broad range of structural engineering issues; organize day-long Symposium.
- TEC Technology Committee**
Improve and expand the technological capabilities used in SEAOI's classes and events.
- WSE Women in Structural Engineering**
Provide a forum for networking in the context of educating our members.
- YEC Young Engineers Committee**
Encourage young engineers to join SEAOI as associate members; provide guidance in preparing them for the state license examination.

Affiliated Organizations:

Please consider volunteering for the Structural Engineers Foundation (SEF) or the Structural Engineers Political Action Committee (SEPAC/Government Affairs Committee).

- SEF Structural Engineers Foundation**
Plan SEF lectures, assist with scholarship planning and other SEF activities.
- SPC SEPAC / GAC**
Monitor legislation as it affects the SE profession, plan SEPAC activities like the cocktail party and annual dinner meeting.

Membership Demographic Information:

The following information is used to obtain an SEAOI membership profile. All responses are optional.

Primary Responsibility:

- PDE Design
- PCO Construction
- PDM Dept. Head/Mgr./Spvr.
- POW Operator/Owner
- POH Other _____

Industry Category:

- IB Bridges/Highways
- IH Highrise
- IP Power
- ID Industrial
- IS Institutional
- IC Commercial
- IO Other _____

Type of Firm:

- Design/Consulting
- Forensics
- Construction
- Geotechnical
- Testing
- Other _____

Professional Activity:

- SE Structural Engineer
- CE Civil Engineer
- AR Architect
- MK Marketing
- IN Inspector
- ES Estimator
- ED Educator
- RE Retired
- OT Other

Firm Size:

- FS 1-10
- FT 11-30
- FM 31-100
- FN 101-300
- FL Over 300

Education (Highest):

- EB Bachelor's degree
 - EM Master's degree
 - ED Doctorate
 - EO Other _____
- Degree received, school attended and year of graduation
- _____
- _____

Gender:

- M Male
- F Female

Age:

- A Under 30
- B 30-45
- C 46-65
- D Over 65
